## CoopSummer22 at CPDGroup(CarfieldHights)

### Samel Bring- Geveland State University

# HOWIGOTHECOOPERSIRUCURAL ENGINEERING

I have a friend who goes to Teleburiversity that is also studying civil engineering. I head that she got an intenship at CPD group. I asked her for contact informations of could reach out about any openings for intenships in structural. Ludsily they had I more opening and Light the interview and got the remaining spot.

#### TYPECEWORK

- Dafting(Revit)
- Hoorplans
- Details
- Markups
- Sitevisits (preconstruction and construction)
- Structural work of four dations

#### CONTUSIONS

In all, I can confidently say that GPD Group has a great atmosphere in the work place, with great people towork with I worked with nany colleagues that are in Dallas, Atlanta, and Alaconthat knew I was new They never hesitated to answer my questions and were never armyed or angly if I got confused with something Overall, I cannot wait to go back for the summer of 2023, and hopefully start my career there in 2024.

Figure 5 Clowerleaf high school site visit.

#### **FUIUREWORK**

I am thankful to be going back for a second summer to work for GPD in 2023 If all goes well, I hope to get an offer with GPD in 223 a2 sur

Adarowledgments (Calibri, 40 points, bold)

I would like to thank GPD Group for taking me in and teaching me more about the world of engineering during my time these. Very excited to see my future growthese.
